What Our Owners Say...

Willow Pastures is such a lovely peaceful site, after having two breaks there we decided this was the right time to look at buying a lodge in perfect surroundings.

At first deciding which lodge to buy and where to position it seemed difficult, with the help and experience of Tracy the site manager everything fell into place. The staff on site were all helpful and very patient as I worried about so many things, looking back I shouldn't have nothing seem to be a problem.

When the lodge was delivered, this was handled brilliantly we were sent pictures, just added to the excitement, until the day we were handed our keys. On our first visit, we were thrilled everything had been unpacked and put in place. It couldn't have been easier.

The grounds are beautifully cared for, kept immaculately clean. The nature walk round the perimeter is a sniffing haven for our dog. It's great to have easy access to the Railway trail going through the gate at the back of the site. The addition of the beauty salon on site adds to the luxury. Even my husband is tempted to have a massage!

We have found experience of buying the lodge, very pleasant. We've been taken care of and given helpful advice, Willow Pastures, it's such a lovely place.

Carolyn, Owner

“

We researched several sites in different areas across the country before settling on Willow Pastures Country Park. We particularly liked the fact that the site is open all year round, and not seasonal as we discovered with other holiday parks

We really liked the fact that the staff were friendly, pleasant, and did not give us the hard sell.

As owners we have found that any problems are dealt with quickly and efficiently without any unnecessary drama. In fact, we were so satisfied with Willow Pastures Country Park that we subsequently decided to purchase a second holiday home on the site.

The letting process is stress-free using Hoseasons and with the hardworking staff at the park handling the cleaning and changeovers.

”

George, Owner

“

Tracy and the team at Willow Pastures always go the extra mile to not only make every stay memorable, but also to maximise owners' profits when the lodge is being let out.

The purchase process was honest, straightforward, and remarkably fast, and there were no unpleasant surprises.

The park is located in a beautiful part of the country and every visit is a fantastic opportunity to get away and destress, be it with a walk by the sea or a plunge in the hot tub. I would definitely recommend becoming an owner at Willow Pastures!
